

Madikwe Safari Lodge

Madikwe Safari Lodge is situated in the heart of the richly diverse and malaria-free 76 000-hectare (187 800-acre) Madikwe Game Reserve – one of South Africa's biggest wildlife sanctuaries. Madikwe's diverse geology and broad mix of habitats allows a wide range of African wildlife to flourish – including the Big Five, cheetah and a thriving population of wild dog.

Set on a gentle slope nestled between two rolling hills, Madikwe Safari Lodge overlooks game-filled plains with the Dwarsberg Hills in the distance and the Marico River nearby. Madikwe Safari Lodge offers exceptional game viewing, simple yet sophisticated accommodation, superlative service and unique regional cuisine.

Each suite features a sitting area, a bedroom with circular fireplace, a spacious dressing area with personal bar, an en suite bathroom with bath, indoor and outdoor shower and a private plunge pool. The rooms are organic in design and woven copper screens add intriguing detail. Overlooking Madikwe's game-filled plains, intimate sitting areas in all three camps feature shaded outdoor seating on expansive covered decks. A covered outdoor living room offers beanbags and cushions on the floor for casual relaxation. The nearby boma is the setting for evocative starlit dinners.
